AND

{Name of Private Funder}, {Registration}, {Bengaluru address} with its principal place of business through its duly Authorised Signatory {Name of signatory}, {position}, {age} residing at {address} hereinafter referred to as 'Private Funder'.

WHEREAS:

1. Greater Bengaluru Authority (GBA), covers about 709 sq km and this area is connected through a network of about 14,000 km of roads of various categories, such as Arterial Roads, Sub-arterial Roads, Collectors, Streets, etc.
2. Due to the exponential growth of the city and development in various sectors, such as IT/BT sectors, Industrial Development, Research Organisations, Educational Institutions, etc., there has been an increase in employment opportunities, rapid growth and increasing urbanisation.
3. There is scope for participation from the Private Sector in contributing towards the development and improvement of the infrastructure of Bengaluru. The Government of Karnataka also envisages Public-Private Partnership projects and works taken up as a Corporate Social Responsibility and Philanthropic support.

IN THIS CONTEXT, PARTIES HAVE AGREED TO WORK TOGETHER AS DESCRIBED HEREIN UNDER:

1. {Name of Private Funder} shall undertake **design** of a {typology of site}, located at {address of site}, hereafter known as 'site', with a commitment of upto INR {XXX} under {CSR program/philanthropic grant}.
2. The details of the scope of work to be undertaken by the Private Funder shall be added in annexures following the structure listed below. The annexures may be added at the time of signing of the MoU, in case the required information is finalised between the Private Funder and the respective Corporation. Else it can be added as an addendum after the MoU signing.
 - a. **Annexure 1:** Project Details (as per template attached)
 - b. **Annexure 2:** Site details
 - i. Photo of the site marked with the extent of the scope of work
 - ii. An additional scaled drawing may be attached if the photos are inadequate
 - c. **Annexure 3:** Proof of requisite expertise of the implementation agency

Role of Private funder:

1. Private Funder shall support the preparation of a '**Detailed Project Report (DPR)**' with detailed designs developed through on-ground evaluations of user needs and infrastructure quality, along with due stakeholder consultations.
2. The Private Funder **may directly assign the agency to prepare the DPR**, ensuring that the agency has adequate technical skills and experience, such as an urban designer for a street design or junction design project.
3. Designs shall comply with relevant **Standards of Practice (SoPs)** and **guideline documents** (e.g., IRC, *Kaipidi*) set by GBA for each project type.
4. The final '**Detailed Project Report (DPR)**' shall be approved by the Corporation.

Role of Corporation(s):

1. Corporation shall provide all the **required guidance for review and compliance of designs**, as well as access to any available data necessary for the identified sites.
2. Corporation shall also **approve the final 'Detailed Project Report' (DPR)** to ensure that it effectively addresses the challenges it seeks to resolve and is contextually relevant.
3. The Corporation shall acknowledge the support of the Private Funder by installing an aesthetically appearing **physical public information signage*** at any one location at the site and will be in dual language - Kannada and English, indicating all the relevant information, such as - Ownership of the site (logo and name), Designed by, Maintained by, Funded by, Duration of maintenance, Contact number for the public to use in case of maintenance issues. The CSR funding agency shall not use the project or asset for any commercial advertisement, branding, or promotional activity.

*** (The size, design, and placement of the signage shall be subject to approval from the City Corporation)**

Additional details related to the MoU

1. GBA or the Corporation assumes no liability in respect of any accidents, mishaps that may arise during the course of execution of the works. Private Funder shall take all precautionary measures and safety measures at all locations.

2. The scope of work undertaken by Private Funder may be extended or altered based on mutual discussion with the Corporation and be confirmed in writing as an amendment to this MoU.
3. This Memorandum of Understanding does not give any other rights to Private Funder except as stated in this MoU. The Property Ownership and Rights are vested with the Corporation only.
4. In no way shall the work undertaken by Private Funder lead to limiting or removing access to the site to any person. These are public spaces and must be retained as such in that spirit.
5. The decision of the Corporation in the execution of the work will be final. However, in case of any dispute arising, both the Parties agree that such grievances, if any, shall be resolved in the presence of the Chief Commissioner GBA.
6. If this MoU is required to be terminated by GBA, Corporation or Private funder, an intimation of 90 days shall be given in writing, and the MOU is liable to be terminated with mutual agreement.

In Witness Whereof, the Parties here in, hereto have set their respective hands on the day, month and year first above mentioned.
